

## From the Waupun Mayor -

Hi Everybody

It's August and this is a big week! The locally famous Alto Fair, the Waupun Truck-N-Show, and of course, the August Common Council meeting. Because of the Partisan Primary on Tuesday, the meeting is going to be on MONDAY August 8 at 6:00 pm at the city hall common council chambers.

If you've been driving around town, you've noticed that the city public works crews have been replacing the current wayfinding signs that have the End of the Trail on them, with signs that do not.

Waupun is in the process of removing references to the EOT, in favor of our new 'crop logo'.

Don't believe me?

You may remember that Waupun used to have the End of the Trail on banners, garbage cans, and park benches downtown—they're all gone now. The next phase in this plan is to replace the "Welcome to Waupun" signs. On those signs we'll be removing both the EOT sculpture along with the 'city of sculpture' branding.

Why?

Well, the corn branding was done to recognize Waupun's ag economy, and that's great! But the reality is no one travels to Waupun to take pictures of a corn field, they come to Waupun to see our beautiful and emotional cultural asset; the End of the Trail Sculpture. Once here, many people travel around and check out all the sculptures, see the prison, and hopefully do a little shopping and eat lunch. But at the end of the day, it's the sculptures that dot our landscape that make Waupun unique and different from our neighboring communities.

As everyone knows by now, I think it's time we stop removing references to our world-famous sculpture. That's why I'm asking permission of the council to purchase End of the Trail stickers, with "City of Sculpture" around it, to cover the crop logo on the new signs. I have even offered to pay for the sign modifications myself.

So far, the council has opposed me on this effort. I'm going to try one more time, at Monday's meeting.

It's no secret I love Waupun's sculptures, especially the End of the Trail, because it tells two stories simultaneously.

One, about the plight of Native Americans and second, that of Mr. Shaler and his generosity to Waupun.

For those reasons alone, that sculpture should be honored. I'm thankful so many of you have rallied around my cause and are contacting your alderman. I hope to see you at the meeting, and together, we can preserve the legacy of Mr. Shaler for future generations.

Thank you and God Bless,

Rohn W. Bishop

Mayor, City of Waupun

## **THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!**

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to [www.onewaupun.com](http://www.onewaupun.com) and click on the “Service” link at the top of the page.
