

## From the Waupun Mayor –

Hi Everybody!

Happy Labor Day Weekend! Speaking of Labor Day, I want to thank all the hard-working men and women who labor for the City of Waupun. These hard-working folks do a lot to help keep Waupun a great city to live, work, and play in. We take it for granted that we have such a committed team working for us, but when we receive five inches of rain in half an hour, or there's a power outage, gas leak, severe storm, blizzard, or big event, it's our city staff who go into work afterhours. So, on behalf of a grateful community, I'd like to thank all our city and utility employees for all they do to make Waupun the greatest little city in Wisconsin!

Speaking of Wisconsin's greatest little city, it's remarkable a city of our size is able to host America's original "Salute to the Trucking Industry," and has done so for over 30 years! This year, I had the honor of speaking at the opening ceremony that honored one of the event founders and longtime president, Ron VandeZande, and I was able to surprise a driver with the "Mayor's Choice Award!" This event, unique to Waupun, raises thousands of dollars for both REACH Waupun and the Make-A-Wish foundation. Well, time takes a toll and many of the original members of the "Truckers Jamboree" board have passed on, and many of the members of the "Truck-N-Show" board are retiring for several reasons. The annual show is in danger of NOT happening in 2023! So, if you have any interest and the ability to help out, please attend their next meeting on September 17, at 8am at FVS Bank. Otherwise, it's likely to be cancelled for next year.

The Common Council did meet on Tuesday where we went over the surveys that the alderman filled out regarding their priorities for the ARPA funding. In my opinion, those surveys are now mostly useless, because since my August 20 column, the city has been inundated with request from just about every youth sport in Waupun. Request include baseball, the turf is wearing out, the hockey cooling system is wearing out, Waupun Soccer would like a complex, Warrior Football would like help with replacing the lights, and we even received a request for rehabbing McCune Beach.

We hadn't considered most of these options until after my column informed people we were beginning the process of how to distribute these funds. This is a good thing! I've said all along that there will be 11,264 opinions as to how to allocate these funds, and I am committed to doing this in the most transparent way.

The next step will be a series of listening sessions to gauge public input. Then the council will have to decide how to allocate these funds. As for me, my priorities will continue to try and do the most good for the most people. I will keep pushing to try and use most of the ARPA funds for; child care expansion, new senior center cost overruns likely to occur if we include REACH and the food pantry into the building, making the Veterans' Wall ADA compliant, replacing the Main and Madison traffic signal, adding a rock climbing wall at the aquatic center, and splitting up about \$750,000 to the different sports.

Speaking of sports, I'm really intrigued with repurposing Veterans' Memorial Field. As everyone knows, a light pole blew over forcing day games for this season. Replacing the lights is very expensive. I wonder if this situation opens up an opportunity to move the football games to the current high school campus, and we can turn Veteran's Field into a festival grounds. A place to host Celebrate Waupun, Volksfest, and be home to a new soccer complex? Doing this would allow the city to turn over ownership of the community center to Waupun Hockey, allowing hockey to have year-round ice, and for Waupun soccer to have a permanent home. I don't know if this will happen, but this is the time to consider all options.

I ask that everyone stay positive during this process. Waupun has many needs and good causes, and we can't do everything.

I hope you have an excellent and safe holiday weekend!

Thank you and God Bless,  
Rohn W. Bishop  
Mayor, City of Waupun

This event is part of the Protect Wisconsin Waterways campaign to spread awareness of what individuals can do to help protect their local lakes and rivers.

Protect Wisconsin Waterways has run this event since 2016, and each year the total effort can remove over fifty bags of trash and litter from and around our lakes and rivers. Objects as small as cans, bottles, and wrappers, as well as large tires, traffic cones, and PVC pipes, have been removed from our local waterways. Our waterways are home not only to a bounty of wildlife, but are also the place where we fish, boat, kayak, and swim. Maintaining our waterways makes the area around us an even more enjoyable place for everyone.

## **THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!**

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to [www.onewaupun.com](http://www.onewaupun.com) and click on the “Service” link at the top of the page.

**WAUPUN DOG PARK (903 N. Madison St.):** Waupun is pleased to offer an area for local dog owners to bring their dogs to run and play, as well as socialize with other dogs.
