

From the Waupun Mayor –

Hi Everyone!

At Tuesday night's council meeting, I was excited to announce the creation of an ad hoc committee for the purpose of putting together a Centennial Rededication Ceremony for the Recording Angel on October 7, 2023. The committee is being led by Former Mayor and Historical Society Executive Director Kyle Clark and Sue Haefmeyer of Waupun Fine Arts.

The Recording Angel was dedicated to Waupun on October 11, 1923 by Clarence Shaler and placed at the sight of his wife's grave, overlooking the Forrest Mound Cemetery. She is our city's oldest sculpture and we felt a rededication ceremony was a proper way to honor her first 100 years.

Speaking of the cemetery, the annual Waupun Historical Society Cemetery walk is coming up on October 29th, following Trick or Treating. The ever increasingly popular walk has become the biggest fundraising event for the Historical Society, and this year it is named in honor of my dad, who started the cemetery walk several years ago. It is a very kind gesture by the Historical Society, and our family is touched by the decision to name the cemetery walk in honor of dad. He loved the cemetery walk, and was very proud of its success!

In other news, the new sculpture themed wayfinding signage is coming along nicely. Thank you to all who have donated, and if you'd like to donate, please make a check payable to the City of Waupun and the memo line should have Donation for Refacing Wayfinding Signs.

This past week was terrible for garbage collection, and I'm well aware of it. Believe me! That said, we are switching garbage companies come January. Please be patient for the next two and half months. We're in this together, and it will get better come January.

On Tuesday, WATCO (the railroad company) was in Waupun working on the railroad crossing at Main St. They ripped up some of the old boards and poured blacktop to get the crossing through the winter. It's not perfect, I know, but it is better, and we are still on schedule for a total replacement next summer. The railroad crossing is the most common complaint I get (even more than the garbage situation) and it is a top priority of the city, that's why we passed a resolution ordering the railroad to fix the crossing.

Finally, I've been getting several requests to expand the times that we allow ATV/UTV traffic on city streets. Many overnight shift workers have requested it as well as folks wanting to use an ATV to plow snow. We've had very few problems with the ATV/UTV traffic and I have no problem expanding the times. I have asked that this be reviewed, stay tuned.

Thank you and God Bless,
Mayor Rohn

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to www.onewaupun.com and click on the “Service” link at the top of the page.
