

From the Waupun Mayor –

Hello Waupun!

This week the council held its first workshop session about how to best use the ARPA funding that Waupun has. We had a good discussion, and we have a long list that totals more than \$20 million. We won't be able to do everything on our wish list, all of which are important to Waupun, but I remain hopeful that we're still able to allocate most of the funds to three areas.

1. Senior/Community Center cost overruns
2. Youth Sports
3. Childcare expansion

Why those three?

Well, the new senior/community center is a once in a lifetime opportunity to offer Waupun a place for people of all ages! A senior center at day, open to the community in the evenings, and home to REACH Waupun and the Food Pantry, this building can serve residents of all ages for decades to come. I feel strongly it's important to do it right.

Youth sports not only offer a better quality of life for Waupun's families, but they give Waupun an economic boost, too. The sports give the kiddos something to do, help keep the kids active and fit, and they keep kids out of trouble. Many sports, like baseball, softball, and hockey host tournaments. Those tournaments bring hundreds of people to Waupun several weekends throughout the year. Those people stay in our hotels, pay our room tax, eat at our restaurants, visit our small businesses, and hopefully enjoy Waupun's natural beauty, all while spending money here!

Childcare expansion is important because too many working families are struggling to find quality childcare. This is a problem affecting both families who want to work, and employers looking for help. Waupun needs more childcare options so that parents can go to work.

I don't know where we're going to end up investing these funds, and there will be give and take between alderpersons, myself, staff, etc, but I am proud that as a governing body, we have been very open and transparent throughout this entire process. Everyone has had an opportunity to speak, to express their opinions and desires, and I know we'll all keep working to do the most good, for the most people with these funds.

In other news, February 11 will be the REACH Waupun Bowl-A-Thon Fundraiser that is taking place at Jud's. This week I stopped in at REACH Waupun and learned about all the cool ways they help kids! REACH is in need of a few more mentors to help, and if you're nervous, I want you to know they're not "naughty" kids. In most cases, they're kiddos who had a parent pass away, or a parent deployed, and just need a positive grown-up role model in their life. Being a mentor can be done in as little as four hours per month. Four hours a month and you can help a kid that will last a lifetime! For more information contact Jayne at 920-219-0895

Mark your calendars, the big Waupun City Wide Rummage Sale will be held on Saturday, May 13th. I know this is a huge event in Waupun and a lot of people partake, so mark your calendars now!

Thank you and God Bless,
Mayor Rohn

Snowfall is measured at the Waupun Safety Building. During these early morning hours the Public Works Department is out cleaning the streets. If cars are parked on the streets during this time City staff has the authority to have the vehicle removed and stored at the owners expense. For further information regarding winter parking regulations please visit the city website www.cityofwaupun.org (Government, Municipal Codes), and review Chapter 6, Traffic Code section 6.05(5).

SNOW AND ICE REMOVAL is addressed in Chapter 7 of our municipal code. Property owners are given 24 hours after the end of a snowfall to remove snow and ice from sidewalks. Failure to do so is cause for the city to clean up the area and will result in a minimum fee of \$100.00. The City provides notice of these winter rules in the local paper and will put door hangers on any property they have to clean up. Pictures of the property are taken before the property is cleaned for verification of violation. THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be

less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to www.onewaupun.com and click on the "Service" link at the top of the page.
