

From the Waupun Mayor –

Hello Waupun!

It's been another busy week as mayor, and I wanted to give an update of what I've been up to.

Last Saturday night, during the Packers' playoff game, there was a significant garage fire that broke out in Waupun. When I learned about the fire call, I thought to myself, "If the volunteer firefighters have to be out in subzero temperatures missing the game, their mayor can go see firsthand what they do." So, I did. I stopped at the fire scene, spoke with police officers and firefighters, the EMR's and the homeowners. And while the fire itself was a terrible thing, I was impressed with our firefighter's professionalism and commitment to Waupun, to have to battle a blaze in those elements. Not only did they have to fight a fire, they had to fight all the ice created from spraying water. The firefighters were cold, covered in ice, and missing a playoff game, but they saved the house, and no lives were lost. A huge thank you to all who serve on our fire department!

Wednesday, I had the privilege of job shadowing our School Resource Officer Graham Dumke. I was able to participate in a lock down drill at Rock River Intermediate School, then spent time at the High School where officer Dumke handled a few student issues, and we even had to intervene with some little kids who were being naughty at MVP. I really enjoyed learning about the School Resource Officer program, and the bonus was I was able to visit both kids and see my favorite teacher, Jenny!

This Saturday night, I'll be doing more job shadowing with a police ride along. I do feel I learn more about what our departments do by tagging along, and it gives me a chance to thank our dedicated team. I love being Waupun's mayor, but there is a responsibility for me to be well informed and to know why we do things we do, and by job shadowing I get a hands-on account of what's up.

Finally, I'd like to thank County Executive Sam Kaufman for highlighting Waupun on Thursday's "Steve Scaffidi Show" on WTMJ radio. It's great having a county executive who recognizes that Waupun really does have it going on!

Thank you and God Bless,
Mayor Rohn

THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to www.onewaupun.com and click on the "Service" link at the top of the page.
