

From the Waupun Mayor –

Hello Waupun,

General Manager of Waupun Utilities, Steve Brooks, and myself are back from a successful trip out to Washington, DC to lobby our representatives on the important issues facing public power companies. What is public power? A city like Waupun, that owns its own utility is a public power community. Being a public power community gives Waupun slightly more affordable power, and much more reliable service. It's locally owned and operated by people who live in or around Waupun.

This Sunday is another meat raffle at the Other Bar, and once again they asked the mayor to select the nonprofit, and this time I chose the Forrest Mound Cemetery Association. The FMCA has a lot of unexpected costs because of lots of tree damage. The tornado, Emerald Ash Boar, old trees, and heavy snows have caused many trees to crash down and damage grave stones. One of the stones busted is that of Joshua Crawford, the great grandfather of President Warren Harding. Hopefully we can help the FMCA with some of the costs of cleaning up trees and preserving Waupun's rich heritage.

The cemetery is private property; however the city does help as much as we can. I do think we'll have to do more to help. Why? If these costs become too much for the FMCA to bear, under state law the cemetery would become the city's. I'm trying to prevent that from happening, so I'll be pushing to have city resources help maintain our beautiful cemetery. After all, it's almost an extra park. They house the Recording Angel Sculpture and allow residents access to the Rock River. Anyway, I hope to see you Sunday at 3!

The Booster Club's annual trivia night is fast approaching on Saturday March 23. Contact Marla Stillwill for more information at mstillwill@waupunk12.wi.us.

Thank you and God Bless,
Mayor Rohn

WINTER PARKING REGULATIONS - states that for a period of 48 hours immediately following an accumulated snowfall of two inches or more, vehicles cannot park on city streets or alleys between the hours of 2:00am and 6:00am. Snowfall is measured at the Waupun Safety Building. During these early morning hours the Public Works

Department is out cleaning the streets. If cars are parked on the streets during this time City staff has the authority to have the vehicle removed and stored at the owners expense. For further information regarding winter parking regulations please visit the city website www.cityofwaupun.org (Government, Municipal Codes), and review Chapter 6, Traffic Code section 6.05(5).

SNOW AND ICE REMOVAL is addressed in Chapter 7 of our municipal code. Property owners are given 24 hours after the end of a snowfall to remove snow and ice from sidewalks. Failure to do so is cause for the city to clean up the area and will result in a minimum fee of \$100.00. The City provides notice of these winter rules in the local paper and will put door hangers on any property they have to clean up. Pictures of the property are taken before the property is cleaned for verification of violation. Visit the city website, and review Chapter 7, sections 7.07 and 7.08 for additional information on snow and ice removal requirements. You can also call City Hall or the Police Department for further clarification.

THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to www.onewaupun.com and click on the “Service” link at the top of the page.
