

## From the Waupun Mayor –

Hello Waupun!

At this past week's common council meeting, Ice Fest organizer and all around great Waupunian, Jeni Maly, presented us with a letter of recognition from Governor Tony Evers. The letter is hung up in the main hallway at city hall and notes several of Waupun's great art pieces including The End of the Trail, The Recording Angel, and The Citadel. The letter acknowledges Clarence Shaler's work in curating and creating Waupun's public sculptures. It also recognized Waupun for its work in celebrating its public art with regular events. The letter concludes, "Whereas: on this occasion, the state of Wisconsin joins the city of Waupun in recognizing the importance of public art and wishes "The City of Sculpture" many more years of success. Therefore, I, Tony Evers, Governor of the State of Wisconsin, do hereby congratulate the city of Waupun for its success as a vibrant art community and thank everyone involved for their service and support for art in the state."

Since becoming Mayor, I've loved how this community has rallied around Mr. Shaler and his legacy. Waupun really is Wisconsin's Sculpture City, and we're not only celebrating that legacy, we're taking it to the next level. With Ice Fest's ice sculptures, along with the new Sculpture Tours Program coming this spring, Waupun really has it going on, and we're making Waupun a destination for people wishing to learn more about our rich heritage of public art.

It's appropriate that Waupun receives this letter in March, because March 20<sup>th</sup> is Waupun's birthday. This year Waupun will turn 185, 185 years since Seymour Wilcox settled his family along the Rock River here. Over the nearly two centuries, Waupun has made a difference. We've been Wisconsin's Prison City, Wisconsin's Sculpture City, we were America's Rivet Capital during World War II, and we've had Wisconsin's best water for decades. We're really blessed to live in America's greatest little city, and being your mayor has been the honor of my life.

Thank you and God Bless,  
Mayor Rohn

**WINTER PARKING REGULATIONS** - states that for a period of 48 hours immediately following an accumulated snowfall of two inches or more, vehicles cannot park on city streets or alleys between the hours of 2:00am and 6:00am. Snowfall is measured at the Waupun Safety Building. During these early morning hours the Public Works Department is out cleaning the streets. If cars are parked on the streets during this time City staff has the authority

to have the vehicle removed and stored at the owners expense. For further information regarding winter parking regulations please visit the city website [www.cityofwaupun.org](http://www.cityofwaupun.org) (Government, Municipal Codes), and review Chapter 6, Traffic Code section 6.05(5).

**SNOW AND ICE REMOVAL** is addressed in Chapter 7 of our municipal code. Property owners are given 24 hours after the end of a snowfall to remove snow and ice from sidewalks. Failure to do so is cause for the city to clean up the area and will result in a minimum fee of \$100.00. The City provides notice of these winter rules in the local paper and will put door hangers on any property they have to clean up. Pictures of the property are taken before the property is cleaned for verification of violation. Visit the city website, and review Chapter 7, sections 7.07 and 7.08 for additional information on snow and ice removal requirements. #### **THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!**

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to [www.onewaupun.com](http://www.onewaupun.com) and click on the "Service" link at the top of the page.
