

From the Waupun Mayor –

Hello Waupun!

From the bottom of my heart, thank you for re-electing me as your mayor with 98% of your votes! I truly appreciate your support and work really, really hard at this job. I do believe Waupun is the greatest little city in the state of Wisconsin, and I love it more than any other place in the world. It's been my honor to serve as your mayor!

Waupun faces several challenges, but together, as a community, we will tackle them. I'm proud of what we accomplished in our first term; re-branding as Wisconsin's City of Sculpture, celebrating the centennial of the Recording Angel, displaying our city flag at city buildings, replacing the railroad crossing, changing garbage companies, killing the transportation utility fee, working to buy local, seeing the explosion in business in our downtown, the mega growth happening in our industrial park, the completion of the new waste water treatment plant, IceFest, the resurgence of the summer parks program, and keeping Waupun one of Wisconsin's safest cities; and of course our delicious water!

The next big issue you'll be seeing us tackle is the fire department staffing study. This includes the community's expectations for both ambulance and fire response, and what will the costs be, and what does Waupun have to do moving forward. This is not an attempt to go to a full time department, however, with the shortage of volunteers and a shortage of people who can leave work to respond to 911 calls, we may need more staff. The staffing study will be released at an upcoming fire meeting and will be the topic of an intergovernmental meeting later in April.

Finally, we had a late season snowstorm. I would like to thank both the crews at public works and utilities for all they did to keep the lights on and the streets open. It was terrible weather to work in, but one of the things that makes Waupun such a great little city are our amazing employees. As mayor I try to have their backs and am proud to say I haven't laid one city employee off. I may not be able to pay them what they deserve, but they do have my full appreciation.

Once again, thank you for entrusting me with the key to the city!

Thank you and God Bless,
Mayor Rohn

WINTER PARKING REGULATIONS - states that for a period of 48 hours immediately following an accumulated snowfall of two inches or more, vehicles cannot park on city streets or alleys between the hours of 2:00am and 6:00am. Snowfall is measured at the Waupun Safety Building. During these early morning hours the Public Works Department is out cleaning the streets. If cars are parked on the streets during this time City staff has the authority to have the vehicle removed and stored at the owners expense. For further information regarding winter parking regulations please visit the city website www.cityofwaupun.org (Government, Municipal Codes), and review Chapter 6, Traffic Code section 6.05(5).

SNOW AND ICE REMOVAL is addressed in Chapter 7 of our municipal code. Property owners are given 24 hours after the end of a snowfall to remove snow and ice from sidewalks. Failure to do so is cause for the city to clean up the area and will result in a minimum fee of \$100.00. The City provides notice of these winter rules in the local paper and will put door hangers on any property they have to clean up. Pictures of the property are taken before the property is cleaned for verification of violation. Visit the city website, and review Chapter 7, sections 7.07 and 7.08 for additional information on snow and ice removal requirements. You can also call City Hall or the Police Department for further clarification.

THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to www.onewaupun.com and click on the “Service” link at the top of the page.
