

Hello Waupun!

I'm excited to announce that the city has approved two projects this past week. First, Eagle Flexible Packaging will be expanding in the Waupun Industrial Park with a new 52,000 square foot manufacturing plant. Eagle has also purchased the RWI facility across the street from where the new building is going. Eagle will also be keeping their current location on Taylor Street operating, so this is 60ish more family supporting jobs, plus more tax base coming to Waupun!

Second, the city approved the construction on a new multifamily apartment complex to be built on Bayberry Lane. That's out by the truck stop. These apartments will feature studio, as well as 2- and 3-bedroom apartments. The rents are market rate and offer residents a much-needed housing option.

With so much growth happening, along with the pay increase at the prisons bringing down the vacancy rates, Waupun needs more housing. We need places for all these people with good paying jobs to live, so they can contribute to our local economy.

This past week the city council approved the purchase of a new squad car that will be bought locally. The Board of Public Works also voted 5 to 1 to approve the purchase of a new work truck, also to be bought locally. I mention this because it shows that we're changing the culture of city government. We used to only care about squeezing a penny, but now we're looking at the big picture and making the decisions based on the best value for our community!

This culture shift is also applicable to our city's branding. Three years ago, it was controversial to rebrand Waupun as the City of Sculpture, but today the branding is thriving. The Ice Fest ice sculptures are only a few weeks away, you see our city flag flying around Waupun, the new sculpture tour sculptures are a popular addition to Waupun, and we've seen a new appreciation of Mr. Shaler's legacy, an appreciation that includes a really nice exhibit about Mr. Shaler at the Heritage Museum.

Waupun continues to really be having it going on!

Thank you and God Bless,
Mayor Rohn

WINTER PARKING REGULATIONS - states that for a period of 48 hours immediately following an accumulated snowfall of two inches or more, vehicles cannot park on city streets or alleys between the hours of 2:00am and 6:00am. Snowfall is measured at the Waupun Safety Building. During these early morning hours the Public Works

Department is out cleaning the streets. If cars are parked on the streets during this time City staff has the authority to have the vehicle removed and stored at the owners expense. For further information regarding winter parking regulations please visit the city website www.cityofwaupun.org (Government, Municipal Codes), and review Chapter 6, Traffic Code section 6.05(5).

SNOW AND ICE REMOVAL is addressed in Chapter 7 of our municipal code. Property owners are given 24 hours after the end of a snowfall to remove snow and ice from sidewalks. Failure to do so is cause for the city to clean up the area and will result in a minimum fee of \$100.00. The City provides notice of these winter rules in the local paper and will put door hangers on any property they have to clean up. Pictures of the property are taken before the property is cleaned for verification of violation. Visit the city website, and review Chapter 7, sections 7.07 and 7.08 for additional information on snow and ice removal requirements. You can also call City Hall or the Police Department for further clarification.

THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to www.onewaupun.com and click on the “Service” link at the top of the page.
