

Hello Waupun,

It looks like Spring is here! This weekend we will change our clocks, and this past week the Public Works Department put up new U.S., Wisconsin, and City of Waupun flags all around the city. My thanks to the DPW crew who do a great job making Waupun look great!

This weekend Waupun is hosting the [WAHA](#) Pee Wee 3A State Tournament! Good luck to all the Waupun kiddos participating, and a special shout out to my little hockey loving friend Lakynn. I won't be able to make it, as I'll be cheering on my girls at a dance competition in Dubuque, but I'll try to watch some of the action online.

The Recreation Department has hired several part time staff to help us offer more open hours at the new Community Center. Hopefully within the next month or so, we'll have early morning and evening hours to allow more members of our community to utilize the new building. So if you're looking for early morning, weekends, or evening workouts, walking, pool, pickleball, basketball, or just hanging out, we're almost there and will be open more soon!

Speaking of the new Community Center, a request I get a lot, and I mean a lot, from seniors is , "why aren't there more handicap spaces?" The answer is the building has enough spaces to accommodate federal law, and the entire parking lot is ADA accessible. We have much more parking, and handicap parking, than we did at the old Senior Center, and the reality is not everyone can park next to the door. That said, the answer does not seem to satisfy anyone, so I've asked Public Works to look into just painting more handicap spots.

Sticking with good news, this past week we swore in two new police officers, and next week we'll have another swearing in ceremony. Once we swear in the officer next week, the Waupun Police Department will be fully staffed for the first time in years! Our police department was struggling 14 months ago, and in just over a year we've seen a 180* turnaround. I'm very proud of Chief Rasch and Deputy Chief Sullivan for their leadership and making the Waupun Police Department a department that officers want to work for and helping to keep Waupun one of Wisconsin's safest cities!

Thank you, enjoy the beautiful weekend, and 'Keep calm and Waup-On!'

(Thank you to Kevin Homan for the idea of the new closing salutation of my weekly columns!)

WINTER PARKING REGULATIONS - states that for a period of 48 hours immediately following an accumulated snowfall of two inches or more, vehicles cannot park on city streets or alleys between the hours of 2:00am and 6:00am. Snowfall is measured at the Waupun Safety Building. During these early morning hours the Public Works Department is out cleaning the streets. If cars are parked on the streets during this time City staff has the authority to have the vehicle removed and stored at the owners expense. For further information regarding winter parking regulations please visit the city website www.cityofwaupun.org (Government, Municipal Codes), and review Chapter 6, Traffic Code section 6.05(5).

SNOW AND ICE REMOVAL is addressed in Chapter 7 of our municipal code. Property owners are given 24 hours after the end of a snowfall to remove snow and ice from sidewalks. Failure to do so is cause for the city to clean up the area and will result in a minimum fee of \$100.00. The City provides notice of these winter rules in the local paper and will put door hangers on any property they have to clean up. Pictures of the property are taken before the property is cleaned for verification of violation. THE ELDERLY IN OUR COMMUNITY DESIRE YOUR HELP!

There is a significant need in and around Waupun for a variety of services for the elderly. Some of these services include house cleaning, moving/downsizing, lawn/landscaping services, home repairs, snow removal, technology help and more. To that end, the ONE Waupun ministry is organizing the ongoing efforts to connect those in need with those that are able to donate some of their time. We plan to start offering these services to the seniors in Waupun soon; however, we first need to generate a list of people that are willing to serve. Even if you can only help occasionally, it all helps. We need both men and women volunteers. Also, we realize that some of you may be reluctant to serve right now because of COVID, but please fill out this survey with the idea that this virus should be less of a concern in the coming months. To learn more about this service and to sign up as a volunteer, please go to www.onewaupun.com and click on the “Service” link at the top of the page.
